HARFORD COUNTY COMMISSION ON VETERANS AFFAIRS (HCCOVA)

Bottom Line Upfront

The Commission is a volunteer organization formed of several dedicated Soldiers, Sailors, Marines and Airmen as well as close family relatives of veterans, who serve veterans and their family members in whatever capacity is required by the Commission. The appointed and auxiliary members willingly given of their free time, used their own special expertise and talents to improve the lives of our Veteran heroes and their loved ones. Most Commission members hold day jobs, attend school, are active in the community and religious organizations, and are part of other Veteran related organizations such as the DAV, American Legion, Veterans of Foreign Wars and many others. The Commission members are aligned to primarily serve on one or two subcommittees/work groups, but often assist on any or all of the subcommittees/workgroups depending on need.

The Veterans Commission is very fortunate to enjoy the strong support and strategic leadership from our County Executive and County Council. Without this support, which includes funding critical projects when required, the Veterans Commission would not be as successful as it has been serving veterans and their families. Importantly, the County Council Commission Coordinator Capt’n Jim McMahan is instrumental in providing the day to day guidance and leadership for the Commission. Through his work and that of his Legislative Aide, requests for assistance are quickly routed to the Commission members for resolution.

Over 1100 hours of outreach service was recorded by event planning, scheduled meetings, researching and providing assistance to veterans and their family members, public and VA hospital visits, Aberdeen Proving Ground Community Outreach activities, holiday events and activities, Veteran funeral and memorials, just to name a few. Our annual Resource fair had 108 attendees who signed in, with an estimated total attendance of over 150 Veterans and family members with 28 vendors, an increase of 300% over the 2016 Fair.

Radio Broadcast, “Harford Edge,” WAMD. The Commission Chair was interviewed on WAMD Radio discussing the mission and purpose of the HCCOVA, and how veterans and family members can contact the Commission.
