ROTC Efforts due to strong support:

The president of Susquehanna Chapter, MOAA stated that through diligent efforts on behalf of the Harford Commission on Veterans Affairs produced an update on JROTC. At the Board of Education meeting the board approved the submission of an application for JROTC by the superintendent and that means movement forward

Many thanks to the commission members that attended past 11 April (Board of Education), BoE meeting and to Jim Castelli for speaking positively about his experience working with JROTC, during the public comment portion of the meeting.

Speakers and lectures that have educated the commission:

- Harford County /MD Veterans Business Start-ups (MR. Henry, HC office of Economic Development Rt. 40)
- Ms. Janice Cassady, Harford Community College (HCC) Coordinator for Military and Veteran Services gave a presentation to the Commission on educational benefits and services at HCC for veteran students, military members, and their families

Events enabling outreach by the commission:

- **Retiree Appreciation Day** Saturday, May 14, 2016 – on Aberdeen Proving Ground
- **Bel Air Independence Day Parade** – Mary Worthington is coordinating this
- **Veterans Information Fair** – scheduled for Saturday, October 8 Veterans Fair (Oct. 2016)

The fair will bring outreach to all services and information from education to health benefits as well as others for veterans as well as their families.

Future Missions: Items under Action:

**Toys for tots:**

The Commission is attempting to help the Marine Reserves Toy for Tots in finding a suitable storage area for next Christmas (2017) toys. We are working to bring this to the attention of the County Admin and a letter of support would follow if needed.

**JROTC**

In direct support with and from Mr. Jeff Brock, the Junior Reserve Officer Training Corps (JROTC) Committee Chairman for the Susquehanna Chapter of the Military Officers Association of America (MOAA). The MOAA is composed of former and retired officers and warrant officers of the military services in Harford and Cecil counties.

The Commission as well as the JROTC Committee have worked with the Harford County Public School (HCPS) system the last two years to establish the first JROTC unit in Harford County. On the 9th of May, the School Board approved the school system to submit an application and they are in the process of completing the application.

There are over 240 applications pending, so it may take significant time before HCPS is offered an opportunity to start a unit. Budget shortages and the continuing sequestration budget caps are impediments to starting new units. We remain bright and optimistic that the future holds an opportunity for Harford County.

HCPS is submitting an application for establishing a unit at Joppatowne High School. We would formally request funds and support of funds for a JROTC start up.
